Visual Perception- Colouring within the lines

Aniesa Blore

Colouring with one colour

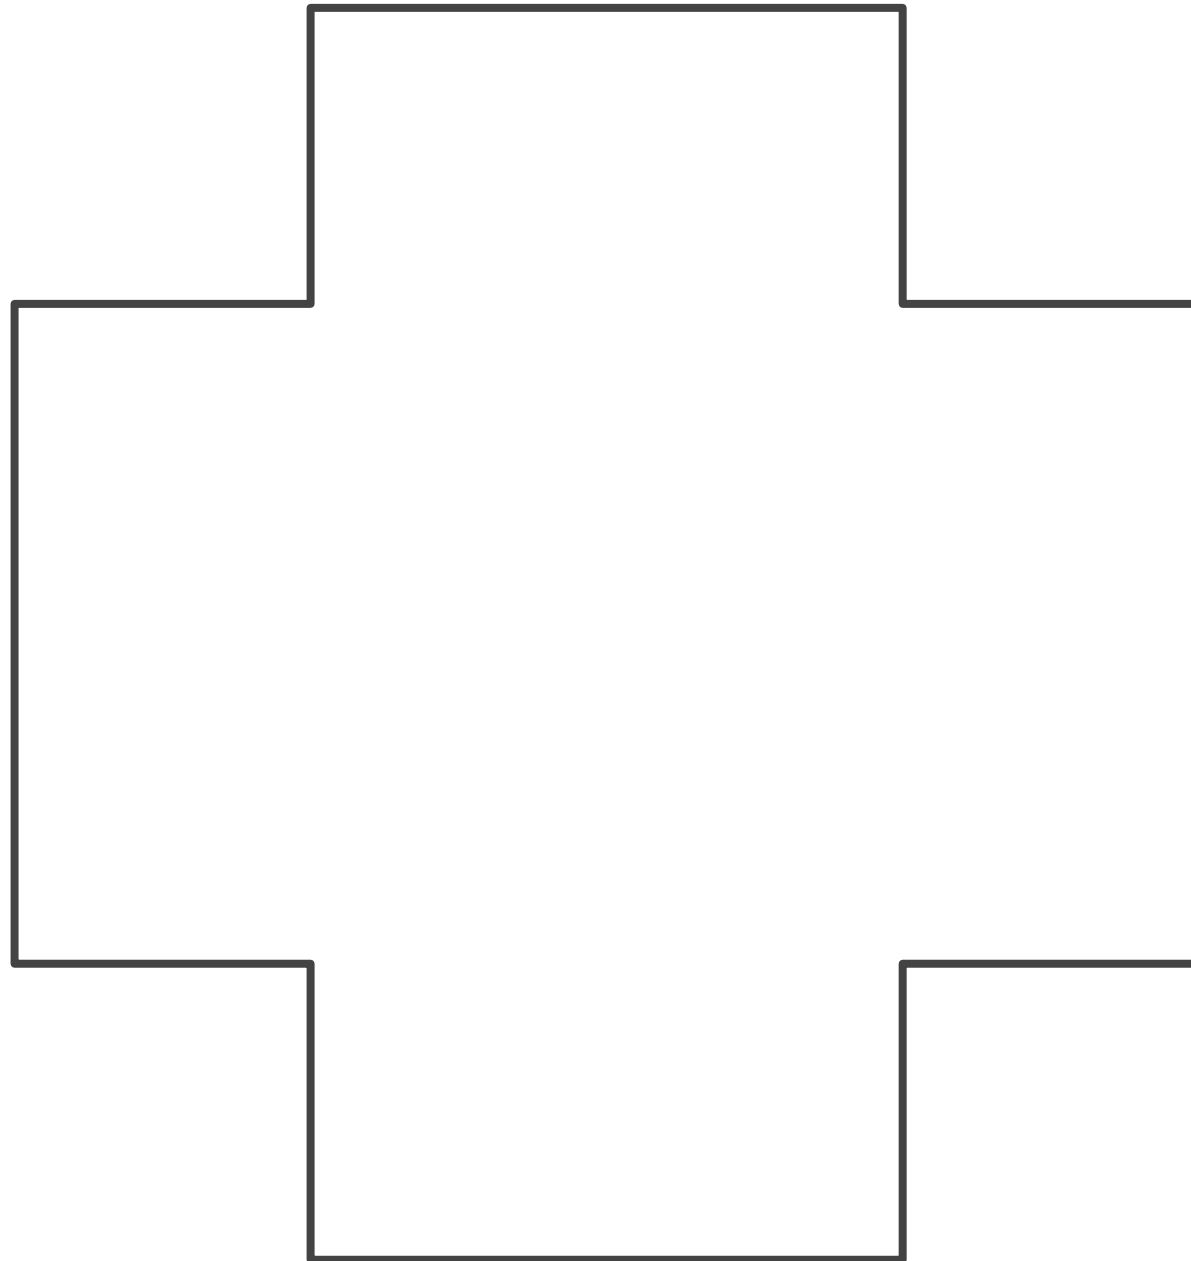

Colour in these shapes.

Pick just one colour and have a go colouring it in.

Try really hard not to go outside of the lines.

Colouring with one colour

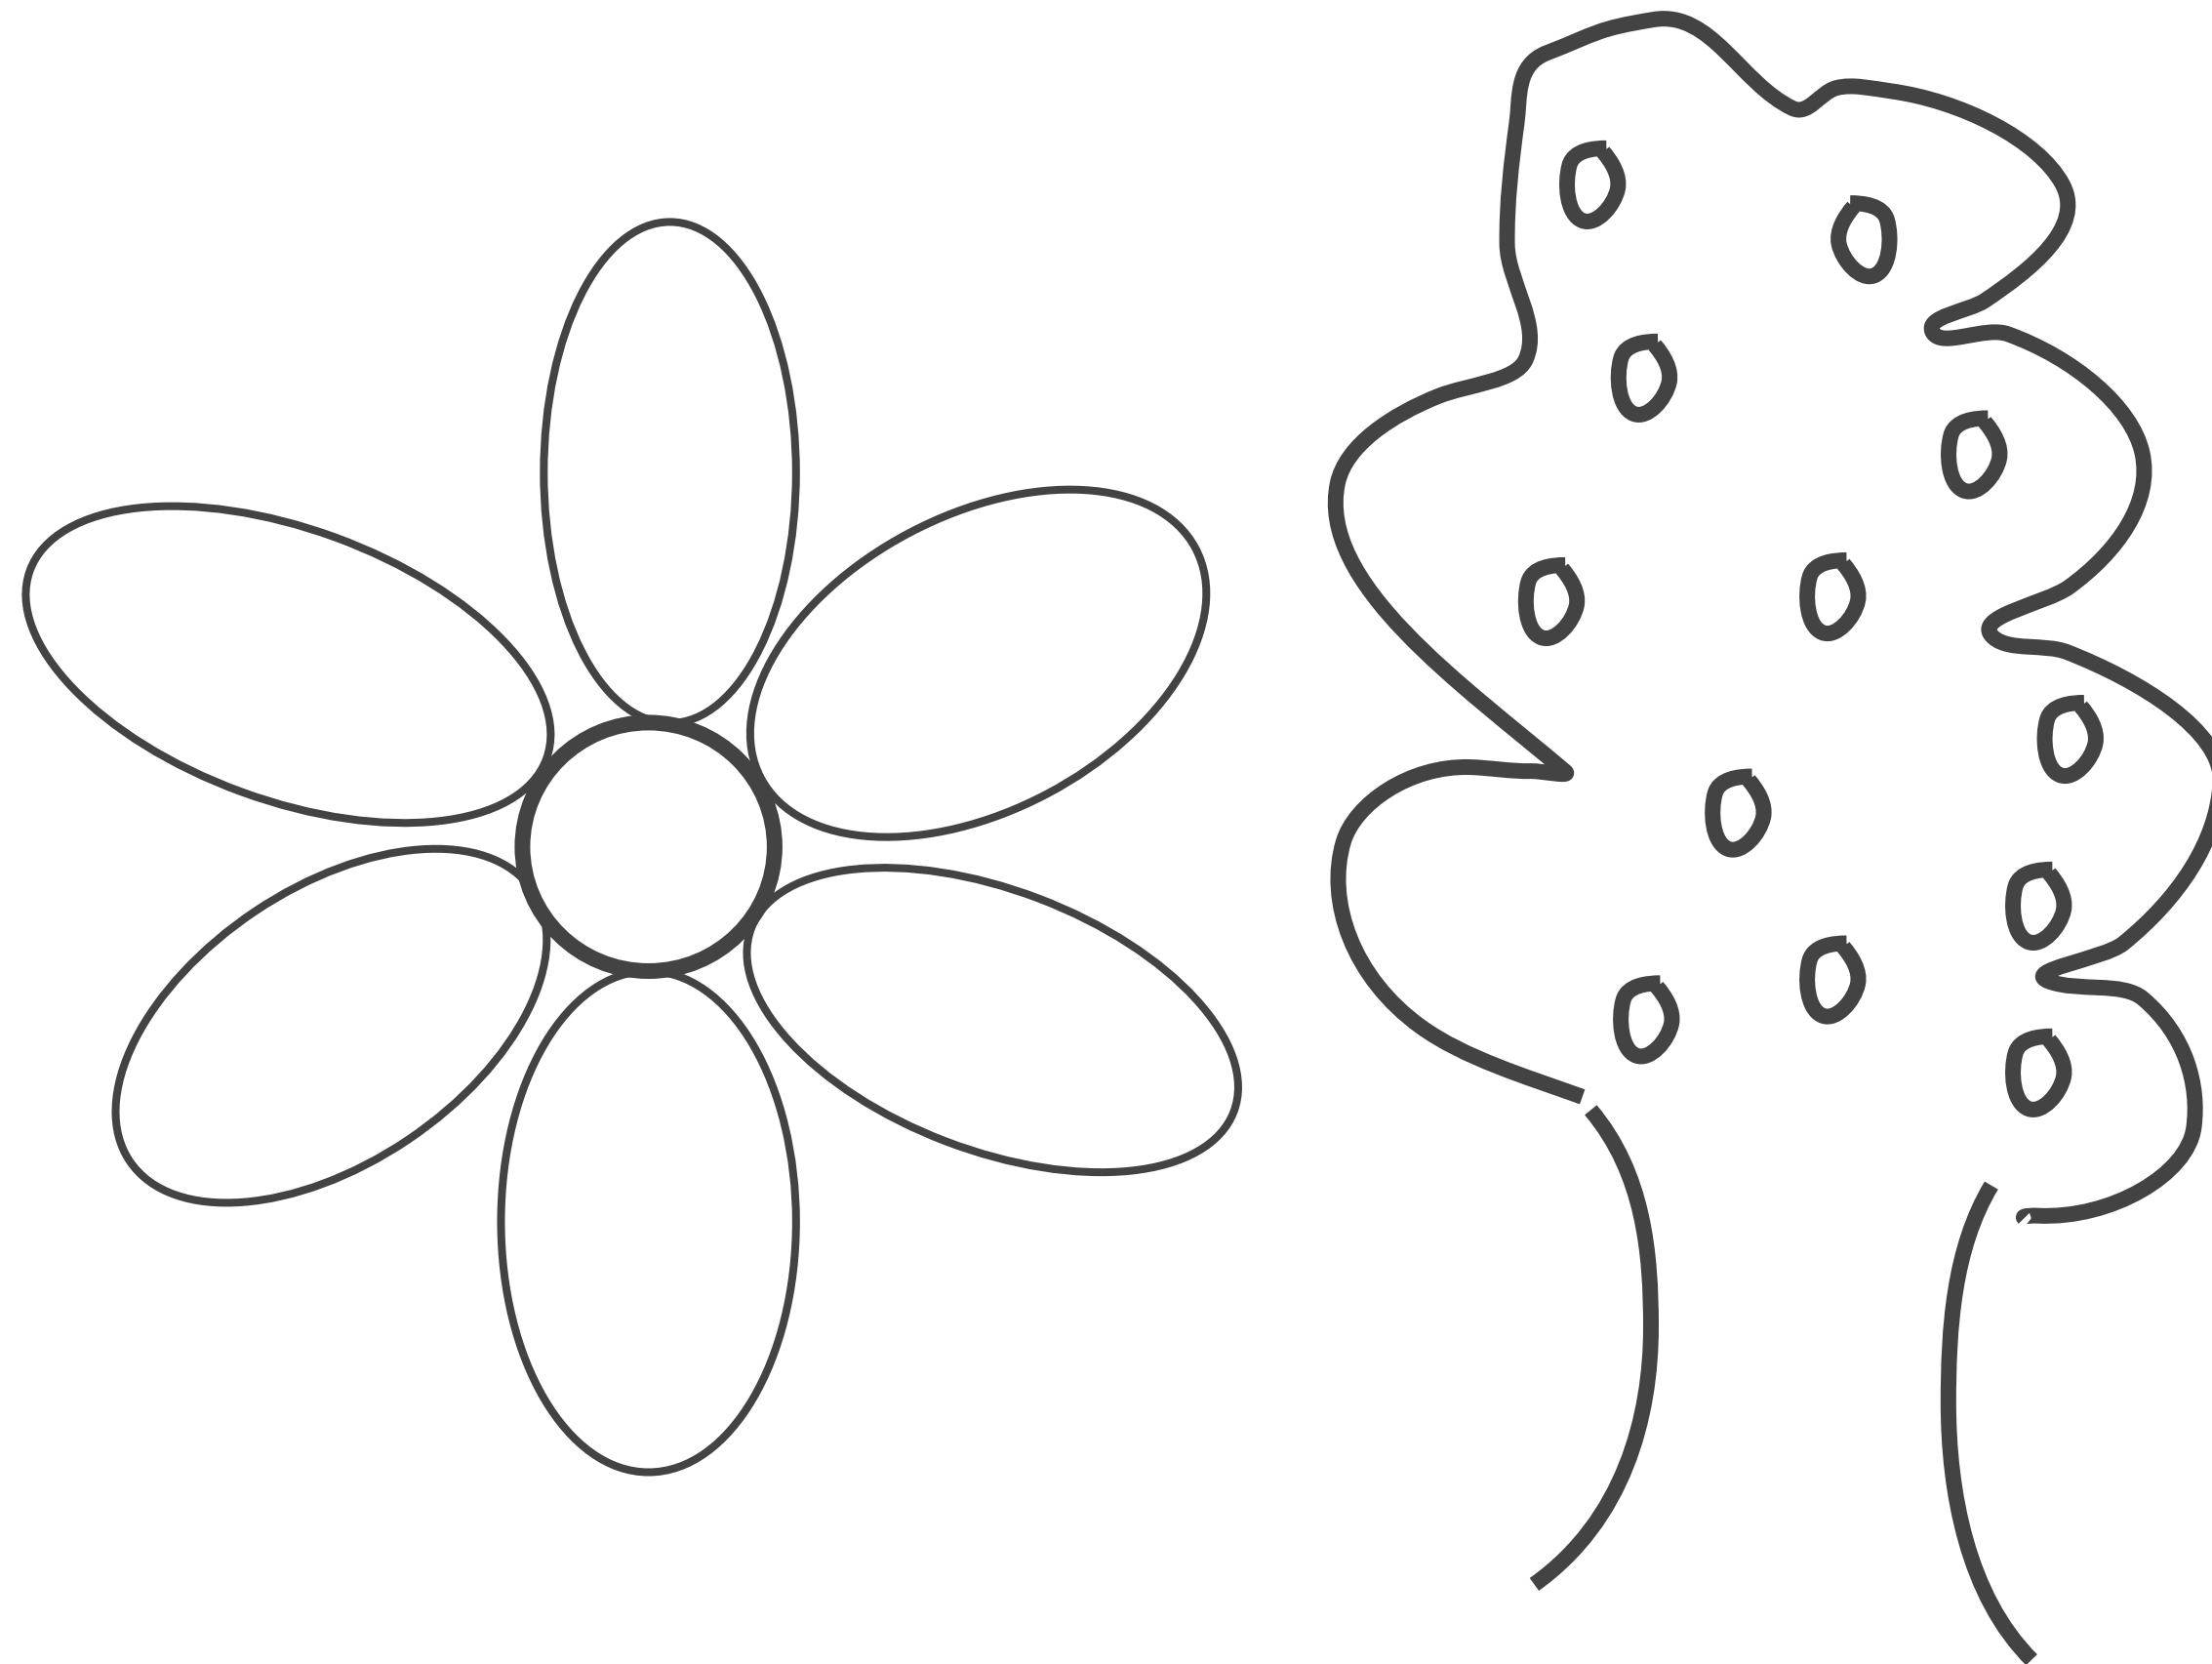

Colour in this shape.

Pick just one colour and have a go colouring it in.

Try really hard not to go outside of the lines.

Colouring with different colours

Colour in these pictures with different colours.

Take as long as you need as it is better to go carefully than to be fast.
