Life in the 1960s - Lesson 6 of 6

Did the Sixties 'Swing'?

What kind of stories can be told about the Sixties?

Mr Wallace

Did the Sixties ‘Swing’?

Yes	No

Music
Fashion
Art
Houses
Cars
Migrants
Poverty
Technology

**Fowler's
interpretation**

It didn't really swing, it was just a small group of rich kids who had little impact. It's mainly a 'brand' of what Britain was like.

**Gordon's
interpretation**

It did swing for teenagers. The changes were important and showed they were different from their parents with new art and culture that was their own.

What types of sources may have helped Fowler form his interpretation?

Fowler may have used sources such as ...

What types of sources may have helped Gordon form her interpretation?

Gordon may have used sources such as ...

Big Question: Which interpretation do you think is more accurate in its view of the Sixties?

On the one hand, Fowler's interpretation is persuasive. **He argues that...**

This is supported by ...

Furthermore, Fowler's claim that ... is supported by...

On the other hand, Gordon also puts forward an interesting view of the Sixties. **Her argument is that ...** and this is **backed up by...**

Gordon also states that ... Evidence to support this is that...

In conclusion, the **evidence suggests that ...**
