

Applying Rounding to Estimate (Adding)

Worksheet

Mathematics

Mrs Brinkworth

Part A

Round these numbers to the nearest 10

65	42	96	80	22	38	12
----	----	----	----	----	----	----

Challenge -

Which is the odd one odd?

Why?

Part B

Use rounding to **estimate** the answer to these questions

$59 + 32 =$	$25 + 41 =$	$64 + 211 =$	$24 + 109 =$	$324 + 108 =$	$678 + 121 =$
-------------	-------------	--------------	--------------	---------------	---------------

Challenge - $147 + 32 =$

Look at these ideas.
Decide which is best
and why
