# LO: To identify features of a recount

Lesson 7 of 10

Mrs Howley

Dear Diary,  
What an awful day!  
I was so excited about using the magic paintbrush. I thought I was going to be rich.  
First, I asked Ma Liang to paint me a golden mountain but he painted a sea. Why would I want a sea?  
Next, we set off to the mountain on a big boat. The sea was calm but I felt nervous. All of a sudden, a giant wave came over the boat. The sea was cold and I sank under the water.  
It was the worst day ever.
