

Mathematics

Represent decimal numbers in a variety of ways

Independent Task

Miss Parsons

Task 1

The number is said as _____ point _____.

$$\boxed{} = \underline{} + \underline{} + \mathbf{0.03} + \underline{}$$

Ones	tenths	hundredths	thousandths

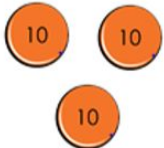

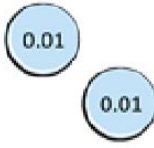

$$2 + \frac{\boxed{}}{10} + \frac{\boxed{}}{100} + \frac{2}{1000} = \boxed{}$$

Task 2

The number is said as _____ **point** _____.

$$\boxed{} = \underline{} + \underline{} + 0.02$$

Tens	Ones	tenths	hundredths
			

$$\boxed{} + \boxed{} + \boxed{\frac{}{100}} = \boxed{}$$
