said and done**

Lesson 5 of 10

Mrs Howley

Ma Liang rushed to join the people in the fields. He held the special object tightly in his hand. His heart raced and he grinned from ear to ear. When he arrived, he took out the paintbrush and started to draw.

The crowd watched every stroke of the brush with their mouths wide open. It danced across the page as a river began to come to life. Someone shouted, “What is going on?” The cool waters flowed as the crowd began to roar with cheers.
