Solving comparison problems

Mrs Bramble and Miss Sidhu

Independent Task

Halima has 8 marbles. Ben has 3 fewer marbles than Halima. How many marbles does Ben have?

$$\square - \square = \square$$

$$\square + \square = \square$$

Create addition and subtraction equations for this word problem.

Independent Task

Pippa has 8 marbles. She has
3 fewer marbles than Paul.
How many marbles does Paul
have?

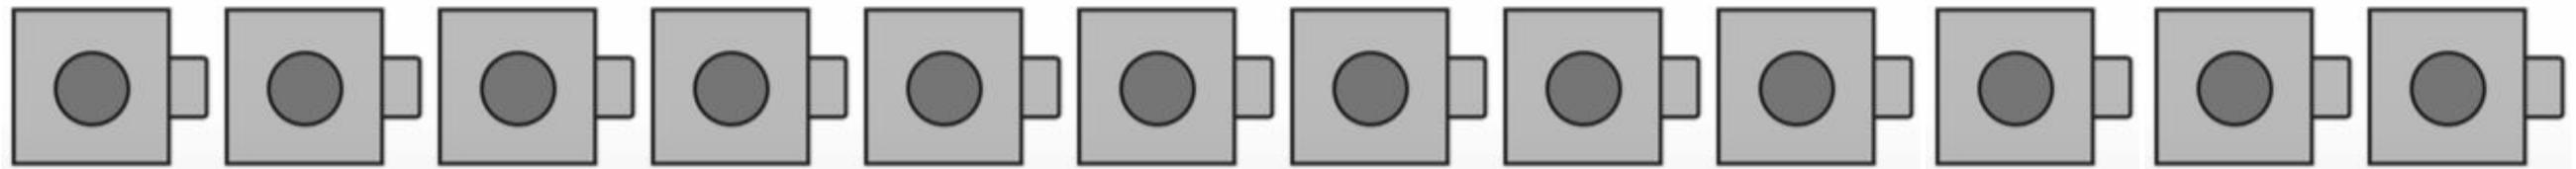

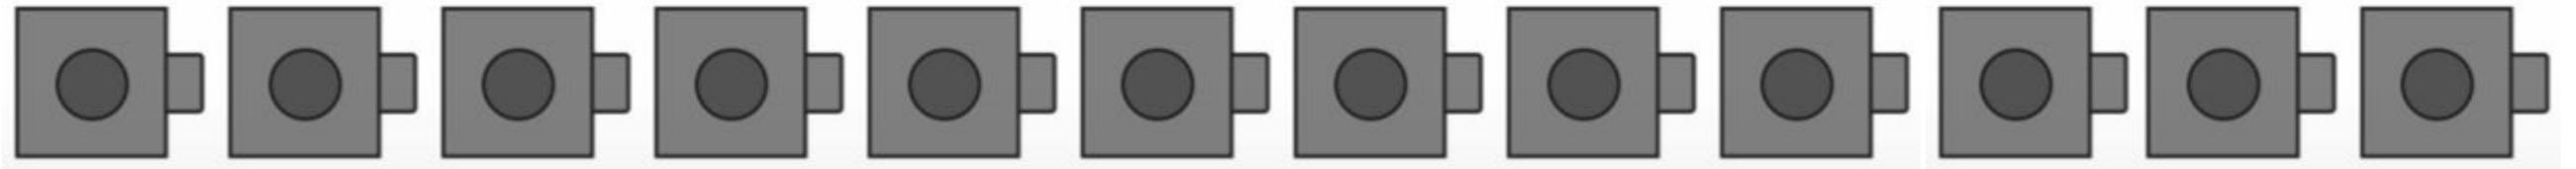

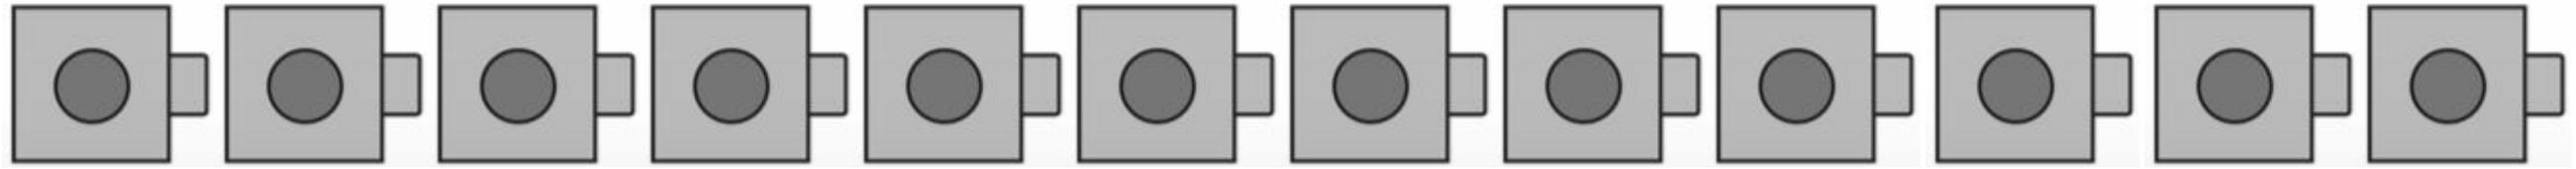

Create addition
and subtraction
equations for this
word problem.

$$\square - \square = \square$$

$$\square + \square = \square$$
