Miss Jones

Would you rather...

...have three quarters of a chocolate bar with 28 pieces, or two sevenths of a chocolate bar with 56 pieces?
Why?

... have one quarter of £80 or two thirds of £57? Why?

Would you rather...

...walk two fifths of two kilometres to the supermarket, or walk three tenths of one kilometre to the corner shop? Why?

...have one sixth of a box of 360 marbles, or five sevenths of a bag of 84 marbles? Why?
