Independent Living: Community Living

Health support in the community

Make it easier

Role play each of the different job roles.

Use visuals to match each person to their place of work.

Make it harder

Ask your parent or carer to help you research the different healthcare providers online to gather more information about their job roles.

Ask your parent or carer to help find the address of your local healthcare providers.

More ideas

Talk about trust and safety: How to identify who they are/are they wearing a uniform?

Health workers should always have a name badge - if they do not, can we trust them?
