# Lesson number 5: How we communicate

**Computing systems and networks - Communication**

Jane Adamson

# Task 1 - Choosing how to communicate

Complete the table on the following slides. For each scenario, choose which method of internet communication you would use and explain why. Use the following:

- Instant messaging
- Video
- Audio call
- email
- blog

Continued on the  
next page

# Task 1 (cont) - Choosing how to communicate
