

Unit 2: Multiplication and Division

Representing remainders

Independent Task

Mr Whitehead

1. Estimate the size of the quotient
2. Use short or long division to complete the equation
3. Represent the remainders as fractions and as decimals (to 2 decimal places at most)

Question 1

$$631 \div 15 =$$

Question 3

$$1314 \div 5 =$$

Question 5

$$3614 \div 34 =$$

Question 2

$$631 \div 8 =$$

Question 4

$$6173 \div 23 =$$

Question 6

$$2341 \div 6 =$$
