Task 1: what do local councils do?

Fill in the gaps after watching my short video about what local councils do.

Our roads and [REDACTED] are maintained by local councils, so we can cross safely. Without local councils, there would be no [REDACTED], rubbish collection or bins in our towns and cities. Local councils are also responsible for the planning of new [REDACTED] and giving out licenses to cafes and pubs, to make sure that food [REDACTED] is a top priority. Street lights are also maintained by local councils. Councils issue [REDACTED] licenses, making sure that they are safe to operate on our streets. [REDACTED] and open spaces are also looked after by councils, as are [REDACTED]. Local councils also spend a lot of time trying to encourage [REDACTED] and cultural activities into our towns and cities.
