# Task 1 - Success criteria

Before you write your blog, think about what would make your blog successful based on what you have learnt over the last four lessons of this unit.

Remember that success criteria should not be subjective (based on opinion).

Write down a **minimum of four** success criteria.

Number	Success criteria
1	<i>The blog must....</i>
2	
3	
4	
5	
6

## Task 2: Make your blog

- Remember to open your research document from last week
- Reference your sources appropriately
- Credit the authors of the images
- Use the formatting tools to make your blog suitable for your audience
- Use your success criteria and assessment criteria to make sure that you are including everything that you need
