Main Task: Correct your answers.

camelus sarcinam iterum portat. camelus ad flumen iterum ambulat. nunc camelus in aquam consilio cadit. sal dissolvat. sarcina non est magna. camelus est laetus. sed dominus est iratus. dominus cogitat.

The camel carries the load again. The camel walks to the river again. Now the camel falls into the water deliberately. The salt dissolves. The load is not big. The camel is happy. But the master is angry. The master thinks.
