

# How to Write and Perform a Simple Poem

Cameron

# For this lesson you will need

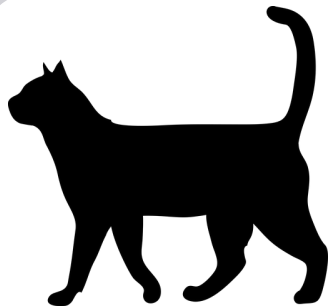

- Household Items
- A pen
- Paper
- Crayons

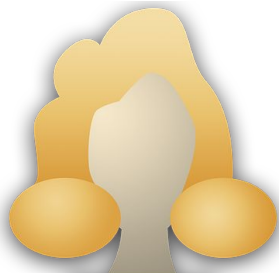

# Let's get ready

- Find a quiet space to work away from distractions
- Find somewhere with lots of space to spread out
- Make sure your resources are nearby
- Use a familiar reference to indicate that the activity is going to start. This could be a symbol, sound or song.

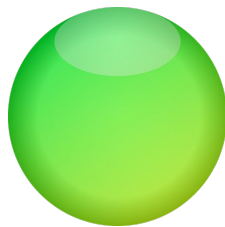

**Cat**

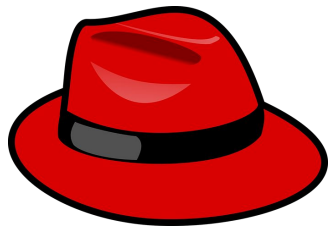

**Wig**

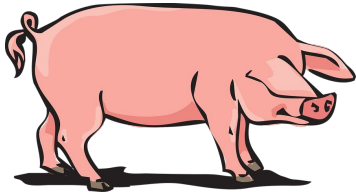

**Ball**

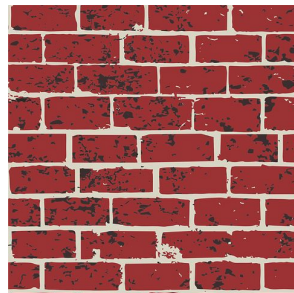

**Dog**

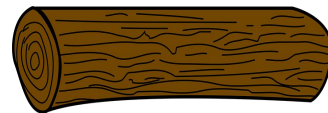

**Hat**

**Pig**

**Wall**

**Log**

# **Now it's time to complete the activity**

## **Make a List of Rhyming Words**

**You can do this by gathering household items, using the list supplied, or thinking of your own**

# **Now it's time to complete the activity**

**Create Rhyming Sentences**

**Use your pairs of rhyming words to  
create a fun sentence for each.**

# Now it's time to complete the activity

## Create Poem

**Put your rhyming sentences in your chosen order to create your poem.  
Put on a performance for the people you live with.**

## Make it easier

Use a combination of symbol support and household items to create the rhyming sentences.  
Decrease the amount of sentences you make and stick to CVC (consonant, vowel, consonant).

## Make it harder

Reduce the amount of support provided.

Increase the amount of rhyming sentences.

Reduce the amount of symbol / household object support.

## More ideas

Create an illustration for your poem.

Try to arrange rhyming sentences to create a silly story.
