# Grammatik

## Word order with adverbs (WO2)

# What is an adverb?

Describes a verb (think *-ly* in English).

**schlecht**

badly

**schnell**

quickly

How often or when you do something.

**jeden Tag**

every day

**oft**

often

# Word order

**Main verb** is **2nd idea** in the sentence.

The adverb usually comes immediately after the verb.

Ich **habe jeden Tag** Sport.                      I have PE every day.

The adverb can go at the start of the sentence.

But remember the **main verb** still has to come **2nd idea**.

**Jeden Tag habe** ich Sport.                      Every day I have PE.

**How does this differ from English?**

# Word order with adverbs:

1. An adverb describes a **verb** or how **often** you do something.
2. In German the main verb goes **2nd** idea in the sentence.
3. The adverb comes either immediately **after** the verb or at the **start** of the sentence.
