

Lesson 1 : Striking & Fielding Games

Cricket

Physical Development - Applying Learning

Alistair

Practise your batting skills, progressing from a large ball to a tennis / cricket ball.

Bowl at a set target either from a seated or standing position.

Activity Card

Striking & Fielding: Cricket

Use equipment safely and always be aware of people around you when batting.

Refine your skills and bowl at a target with increasing accuracy.

Work together as a team in a game of kwik cricket.

Show an awareness of changes in your body when you are exercising.

Play a game of kwik cricket and see how many runs you can score.

Use the 'long barrier' to prevent the ball going past you.
