Building Understanding

# Unit 1- Home Management

## Lesson 1- Cleaning in the home

Recognising common cleaning equipment and where to use it.

## Lesson 3- Sorting in the kitchen

Recognising kitchen appliances and what we use them for.

## Lesson 5- Clothes for occasions

Identifying different items of clothing dependent on the occasion or weather.

## Lesson 2- Setting the table

Counting equipment needed and using a visual to set the table.

## Lesson 4- Organising clothes

Sorting clothes by category and folding correctly.

## Lesson 6- Using a washing machine

Following step by step instructions to use a washing machine.

# Lesson 5- Clothes for occasions

# Teacher notes- Clothes for occasions

Learning Intention: To understand that different clothing items should be worn for different occasions

1. Introduce an example week, showing different weather and activities that require particular clothes. Talk through each day.
2. For each day introduce the activity or weather and check understanding of what clothing should be worn.
3. Show image of activity or weather and label clothing items.
4. What clothes do you have? Opportunity for learner to find their own clothes.

Building Understanding

# Lesson Activity Stages

1. Clothes we wear
2. Different occasions,  
different clothes
3. What clothes do you have?

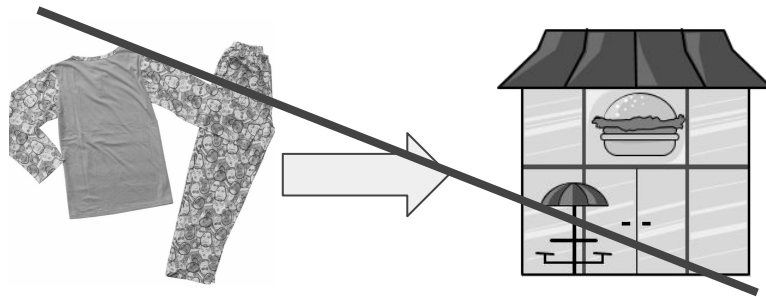

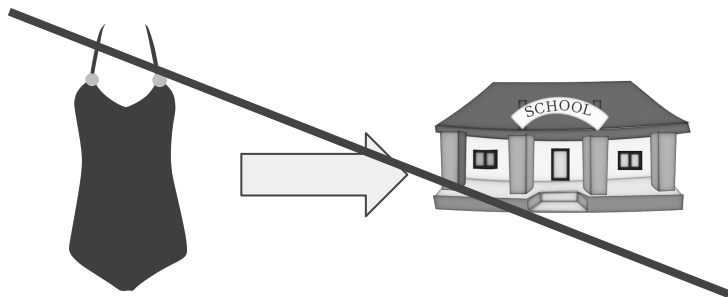

# What clothes to wear when?

We wear different clothing items when there is different weather and when we are doing different activities.

It's **not a good idea** to wear the same clothes everyday for all activities and types of weather.

You **cannot wear** your swimming suit to school and you **cannot wear** your pyjamas in a restaurant!
