

Mathematics

Reading angles on a protractor

part 3

Mr Kelsall

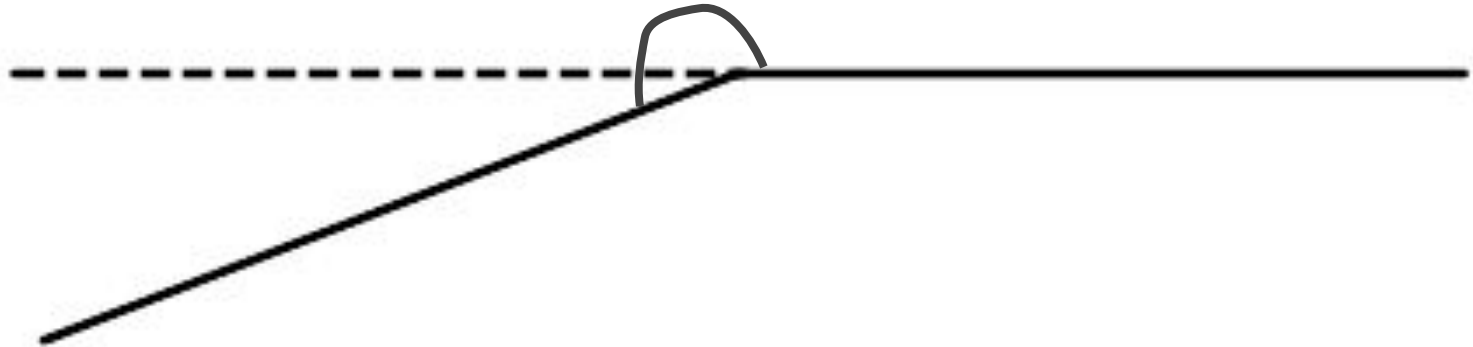

New learning: reflex angles

Two common ways to measure reflex angle:

$180^\circ + \text{angle}$

$360^\circ - \text{angle}$

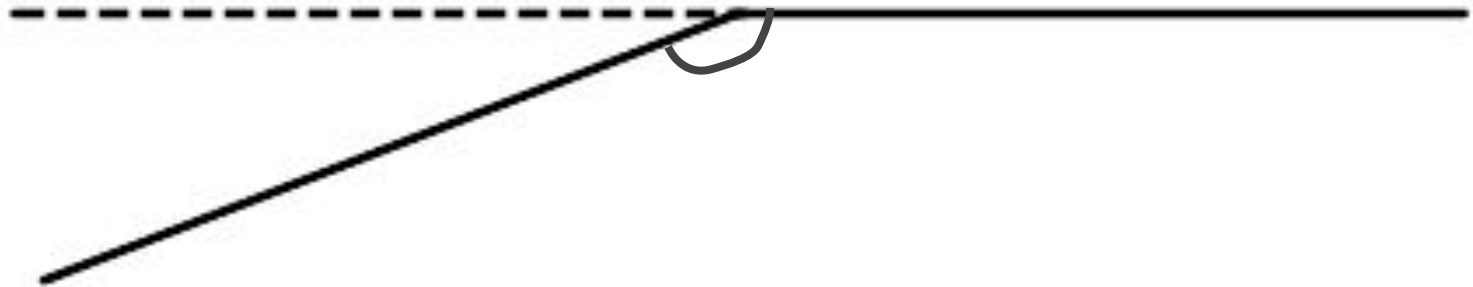

New learning: reflex angles

Two common ways to measure reflex angle:

$180^\circ + \text{angle}$

$360^\circ - \text{angle}$

Independent task: angles in a shape
