

Exploring strategies to add three 1-digit numbers

Mathematics

Miss Hughes

Independent Task

Part 1 of 2

$$6 + 3 + 4 =$$

First I used the strategy _____

_____.

Then I used the strategy _____

_____.

$$8 + 2 + 7 =$$

First I used the strategy _____

_____.

Then I used the strategy _____

_____.

Independent Task

Part 2 of 2

$$4 + 5 + 3 =$$

First I used the strategy _____

_____.

Then I used the strategy _____

_____.

$$5 + 4 + 6 =$$

First I used the strategy _____

_____.

Then I used the strategy _____

_____.

Ten Frames
