Citizenship

## How do we decide on the topic to investigate?

## **Downloadable Resource**

**Mrs Baker** 

## **Choosing your topic**

| Issue you want to support | Planning practical actions | Benefits and change | Community or society |  |
|---------------------------|----------------------------|---------------------|----------------------|--|
|                           |                            |                     |                      |  |
|                           |                            |                     |                      |  |
|                           |                            |                     |                      |  |
|                           |                            |                     |                      |  |
|                           |                            |                     |                      |  |
|                           |                            |                     |                      |  |

Task 5

| Issue you want<br>to support | Planning<br>practical<br>actions | Benefits and change | Community<br>or society | Skills used | Themes |
|------------------------------|----------------------------------|---------------------|-------------------------|-------------|--------|
|                              |                                  |                     |                         |             |        |
|                              |                                  |                     |                         |             |        |
|                              |                                  |                     |                         |             |        |
|                              |                                  |                     |                         |             |        |
|                              |                                  |                     |                         |             |        |
