Using sequencers

Sequencers help you to make your writing and speaking work sound more natural. When using these words at the start of the sentence, you will need to include the (conjugated) verb straight after.

Zuerst **brauche** ich einen guten Hochschulabschluss.

sequencer **verb**

Also **habe** ich eine Ausbildung gemacht.

Feedback: Mention five sequencers from today's lesson!

zuerst

dann

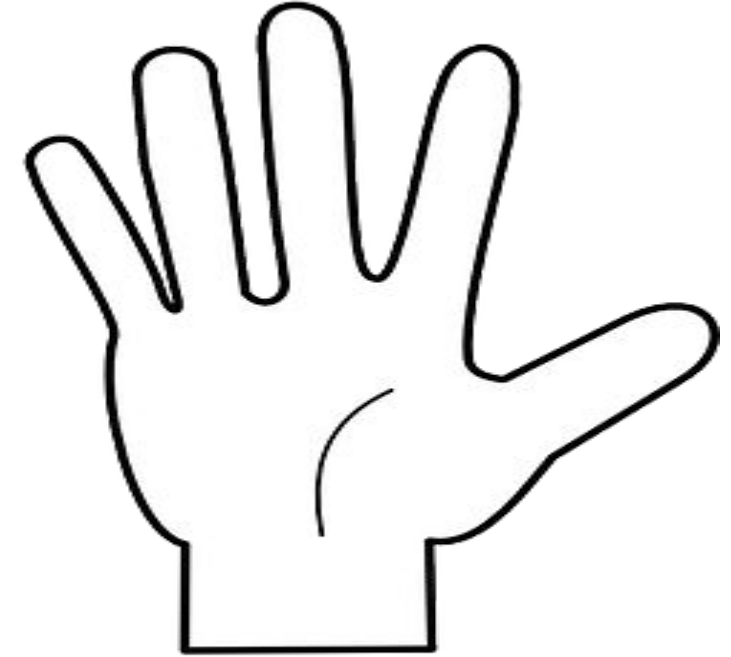

danach

schließlich

außerdem

Verb second rule:

Zuerst mache ich eine Ausbildung.
