Early Reasoning Skills

Lesson 1 of 14 on Verbal Reasoning

Emma Jones

Making your Colour Match

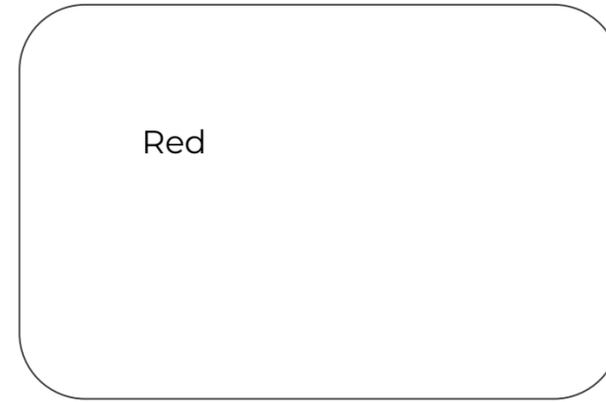

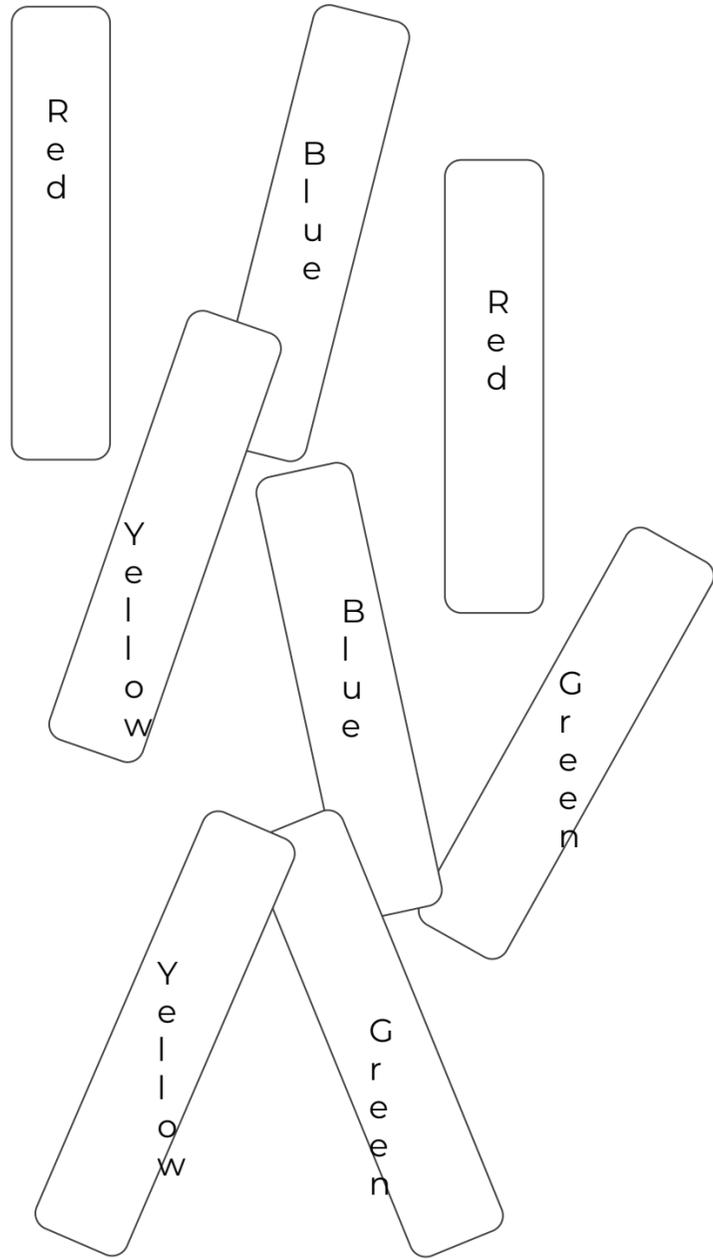

You will need: Pegs, Paint or Coloured paper and scissors, Card

Either

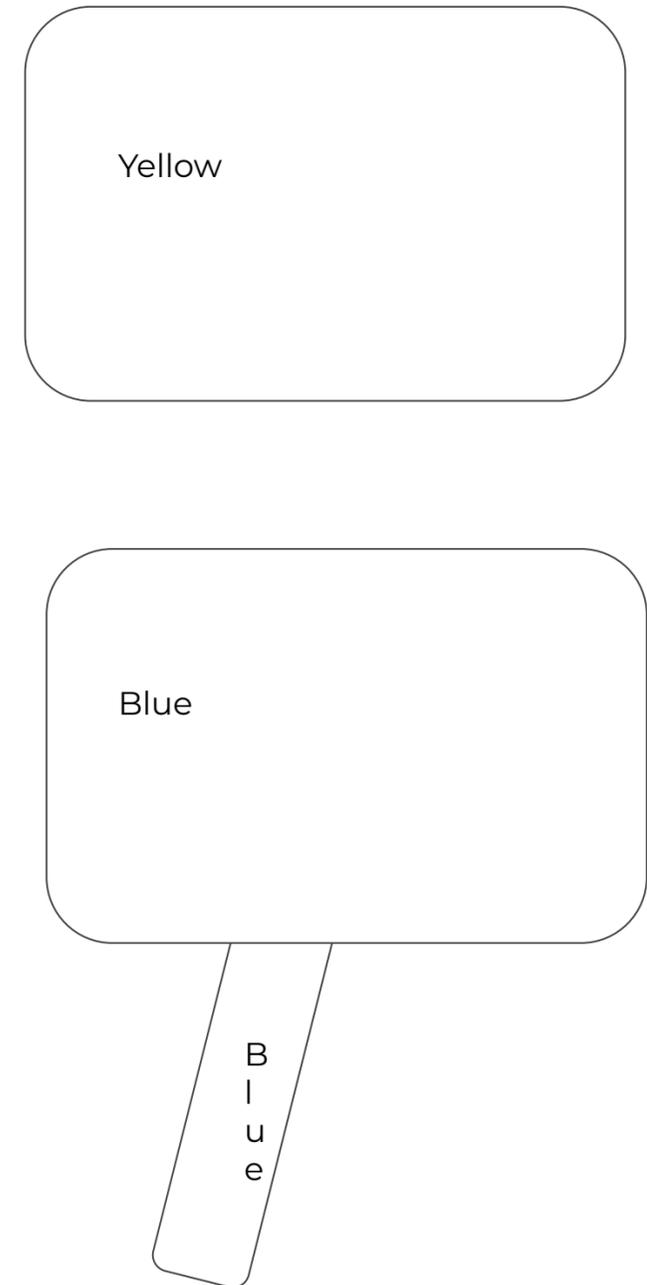

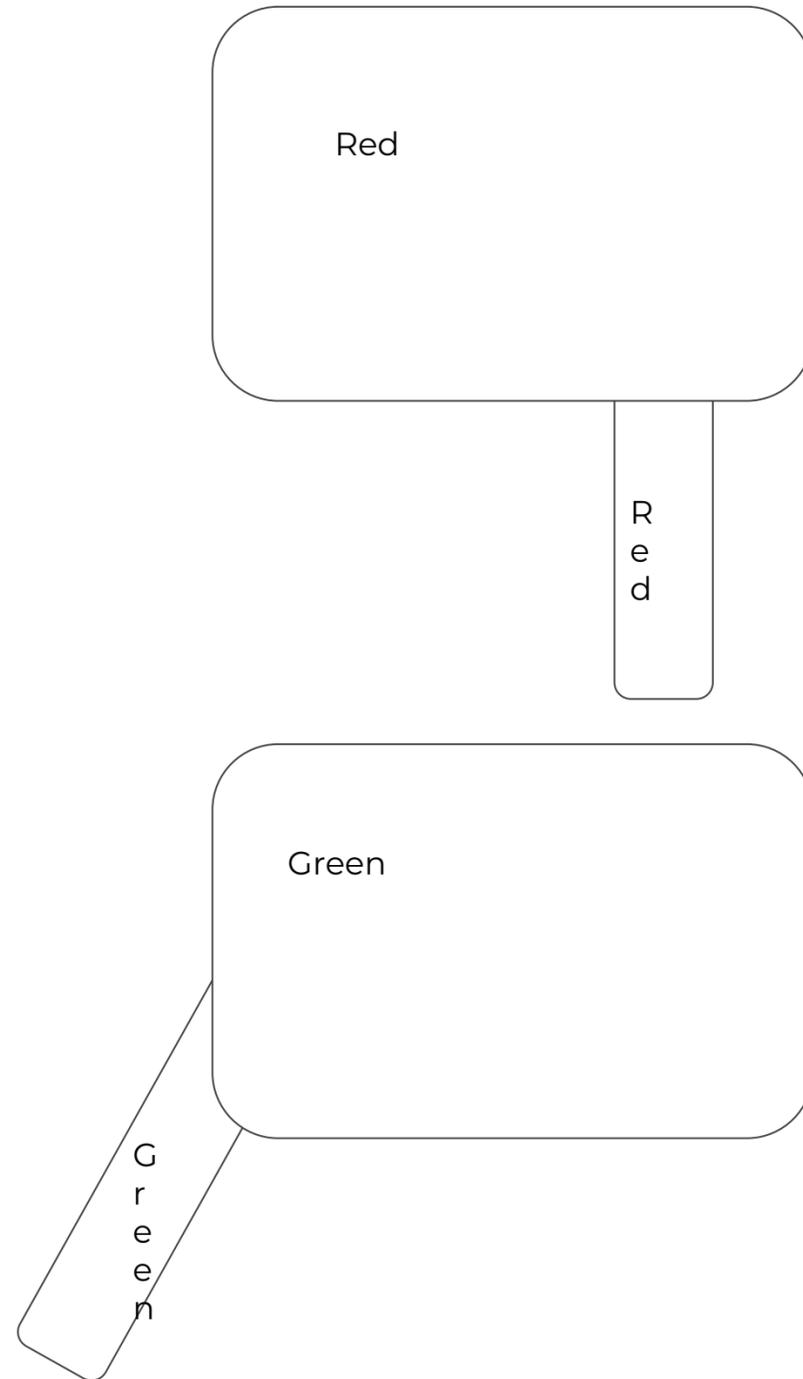

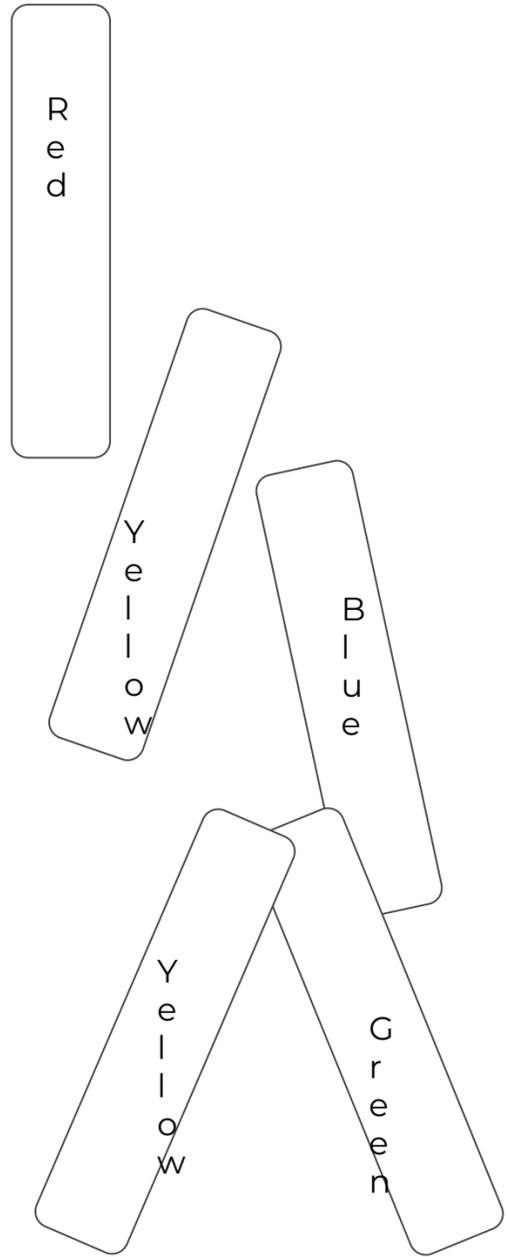

- Paint your pegs in each of the colour paints you have, and then paint some pieces of card or paper in matching colours.
- Cut a square of coloured paper and stick this onto the peg. Each peg needs to have a different colour attached to it. Then cut a larger square of coloured card to match with each of the pegs.

Making your Colour Match

Making your Colour Match

Button Sort

- Collect some buttons of different colours
- Sort these into pots

Button sort!

A large rounded rectangle containing seven circles with color labels: Yellow, Red, Yellow, Red, Red, Blue, Blue, and Green.

Red Red

Yellow

Green

Blue

More Ideas for Sorting Colour Concepts!

Stacking block sort!

Use Lego or any kind of building blocks you have to form a sorting resource.

Threading

Collect some pipe cleaners or string to match with some large coloured beads.

Clothing

Practise sorting REAL clothes into colours or draw pictures and colour them in.

Sorting into pots

Use objects, pictures of coloured items and sort them into pots.
