

Exploring Commutativity Worksheet

Mathematics

Mrs Behan

Independent task

Write a matching multiplication or division questions to the one you have been given.

$8 \times 2 = 16$

$20 \div 2 = 10$

$24 \div 2 = 12$

$12 \times 3 = 36$

$22 \times 2 = 44$

To find the answer would you divide or multiply? Write the correct symbol in the box.

Lucy had 20 stickers. She shared them between her 5 friends.

Multiply or divide?

Lola bought 3 toys for each of her 4 dogs.

Multiply or divide?

Toby made bunches of 5 flowers. He used 20 flowers altogether.

Multiply or divide?
