Independent Living Unit 6- Staying Safe

Applying Learning

Unit 6- Staying Safe

Lesson 1 - Online Safety

How can we stay safe online? What information should we share online?

Lesson 3 - Community safety

Who do we interact with during our day, and what do we share with them?

Lesson 5 - Safety on transport

Planning for safe travel on public transport.

2

Lesson 2 - Safety in the home

What hazards are there at home? How can we minimise those hazards?

Lesson 4 - Road safety

How can we make sure we are safe on the road? What precautions can we take?

Lesson 6 - Safe relationships

Staying safe in close and intimate relationships.

Lesson 2 - Safety in the home

Unit 6 lessons contain safety messages and discussions around potentially sensitive topics. Please ensure all lessons are delivered by a parent/carer or teacher.

Teacher notes- Lesson 2

-Learning Intention: To understand what can be done to stay safe at home.

1. Look at the images of the home and discuss what hazards there are in each image.
2. Learners write down hazards they have in their home on the paper, in a spider diagram.
3. Next to each hazard, learners write what they can do to reduce each risk in their own home e.g. keep kitchen surfaces dry near toasters etc.

You will need: Pen, paper.

Staying Safe

Safety in the home

Applying Learning

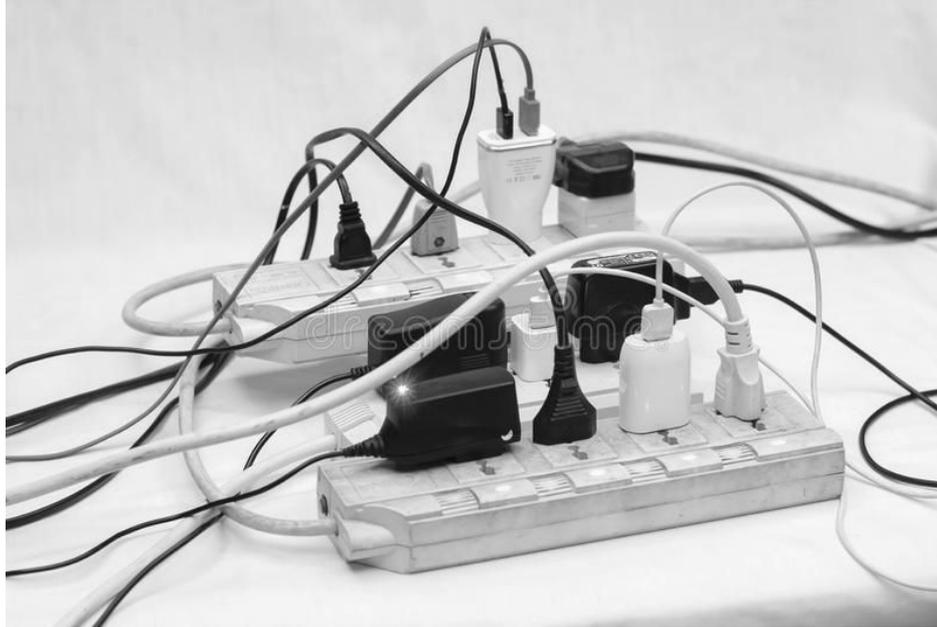

Lesson Activity Stages

- Spot the hazards
- Hazards in your home
- How to make your home safe

**Can you find the hazards in these pictures?
Can you make them safer?**

**Can you find the hazards in these pictures?
Can you make them safer?**

**Can you find the hazards in these pictures?
Can you make them safer?**

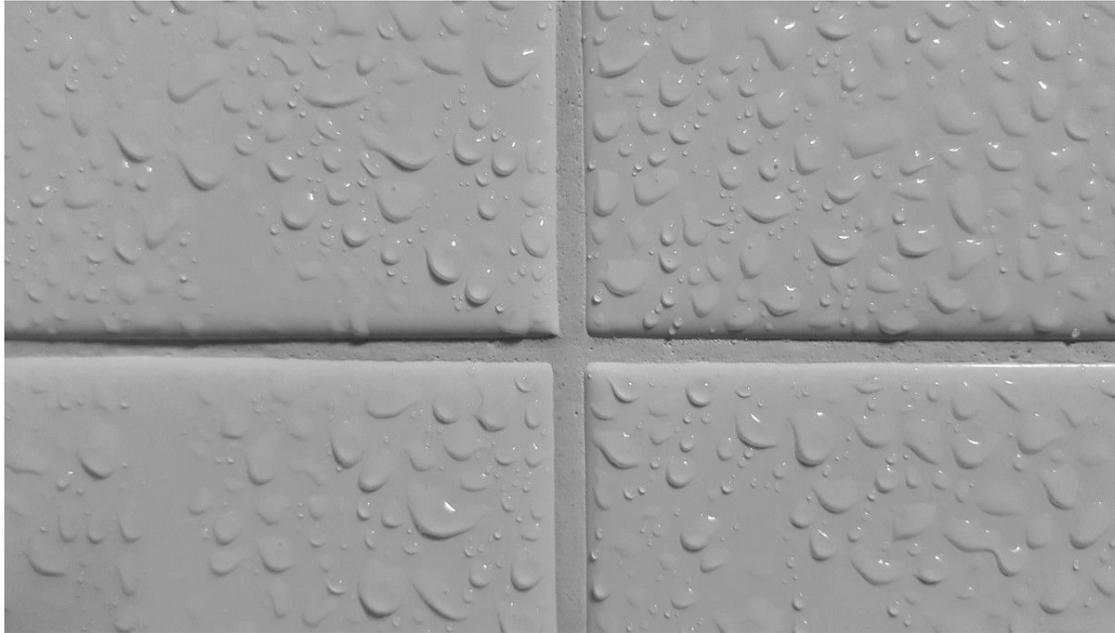

**Can you find the hazards in these pictures?

Can you make them safer?**

**Can you find the hazards in these pictures?
Can you make them safer?**

**Can you find the hazards in these pictures?
Can you make them safer?**

Take a look around your home - what hazards can you see?

Make a spider diagram of hazards using your pen and paper.

How can you make it safer? Write down on your paper.

Independent Living

Staying Safe

Safety in the home

Make it easier

- Take photos of hazards at home
- Take photos of how the hazard has been made safer

Make it harder

- Make a safety leaflet with pictures - 'Staying safe at home'
- Research who to call or what to do in an emergency e.g. fire service if there's a fire

More ideas

- Draw a picture of a room with lots of hazards in it
