

# Physical Education (PE) - Outdoor and adventurous activities

**1-5**

Mrs Repton

# Outdoor and Adventurous Activity: Lesson 6

## Task

1) 1-5

- Set out 3 cushions/towels apart from each other in your space.
- Find 5 household items that can be stacked and place them, in size order with the smallest at the top, on top of one of the cushions/towels.
- The challenge is to have all the items in size order, but on another cushion/towel to the one they started on. You can only move one item at a time.
- You can only place items on the 3 cushions/towels and a larger item can never be placed on top of a smaller one.

## Learning questions:

- How did you break down the challenge?
- What helped you to make decisions?
- Did your initial solution work? Why?
