# Writing equations to show comparison

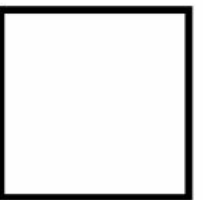

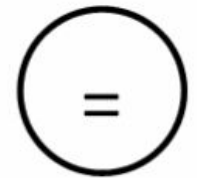

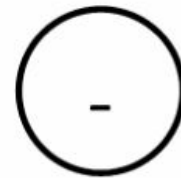

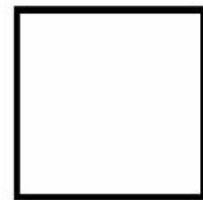

Mrs Bramble and Miss Sidhu

# Independent Task

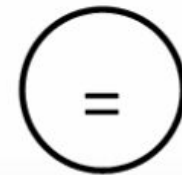

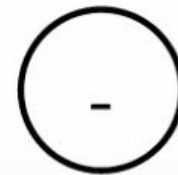

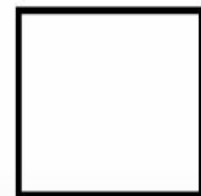

Draw lines to show the partners. How many pupils don't have a partner? Can you write an equation to show this?

1) There are 4 boys and 2 girls.

# Independent Task

2) There are 5 girls and 8 boys.

# Challenge

There are 11 boys and 15 girls.

Draw a picture to show the boys and girls:
