# **Stand-alone lesson: Structuring 'discuss/evaluate' questions Worksheet**

Miss Speakman

## A structure you could use

Some Christians would agree with... **[use wording of the statement]** because... **[give short reason or explanation]**. This is supported by... **[reference to evidence]**. This shows... **[explain verse]**.

This view is also supported by... **[give more teachings]**, which show...**[explain]**.

However, there are teachings within the Bible which would lead some Christians to disagree. For example... **[give teachings]**. This shows... **[explain]**. This is a strong/weak argument because... **[explain strength or weakness]**.
