

Mathematics

Lesson 2 of 10

# Comparing Capacity

Ms. Dobrowolski

# Independent Task

\*Make sure to ask an adult for help

Use  as 1 unit.

item	prediction	capacity (the capacity is about __ units.)
	<input type="text"/> units	<input type="text"/> units
	<input type="text"/> units	<input type="text"/> units
	<input type="text"/> units	<input type="text"/> units
	<input type="text"/> units	<input type="text"/> units

The \_\_\_\_\_ has the greatest capacity.

The \_\_\_\_\_ has the smallest capacity.
