

Mathematics

Using number bonds when subtracting

Mrs Bramble and Miss Charlton

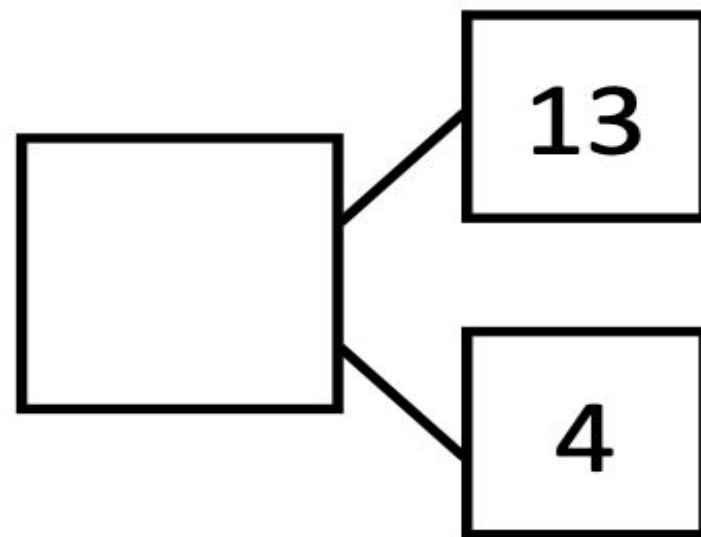

$$3 + 4 = \square$$

$$4 + \square = 7$$

$$7 - 3 = \square$$

$$7 - \square = 3$$

$$\square = 13 + 4$$

$$17 = 4 + \square$$

$$13 = 17 - \square$$

$$4 = 17 - \square$$
