

Mathematics

Counting money in a set of coins

Lesson 3 of 10

Ms.Dobrowolski

Independent Task- Let's go together

Step 1: Count the coins in each purse

EX: $20p + 20p + 5p = 45p$

Step 2: Is the value on the label true or false?

EX: False, 45p is not equal to 41p

Step 3: Write the correct value if the value is false.
