Computing

Lesson 5: The IP Suite and Packet Switching

KS4 Networks

Allen Heard

Materials from the Teach Computing Curriculum created by the National Centre for Computing Education

Task 1: Protocols

Complete the tables about protocols stating what their acronym stands for and a short paragraph explaining what it is used for.

Acronym	Full name of protocol	Description
DNS		
HTTP		
HTTPS		
FTP		
SMTP		
POP		
IMAP		

Task 2 - Packet Switching

Watch the video at oaknat.uk/comp-packetswitching to gain an insight from the team who pioneered packet switching in 1965. Watch up until 2:09.
