

Primary Building Understanding: Clothing and Fashion

Sequencing instructions when making your sock puppet

Katherine Shearer

For this lesson you will need:

- Making a sock puppet resource

Sequencing instructions

In this lesson we are going to sequence simple instructions. This resource is to be used alongside 'Making a sock puppet'.

Adult support will be required.

Getting ready

We are learning about putting instructions in order

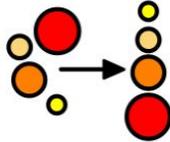

putting

instructions

in

order

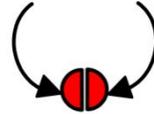

Getting ready

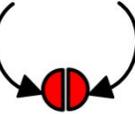

This is how we make a sock puppet...

how

to

make

a

sock

puppet

Step 1

1. Choose a sock and lay it flat

choose a sock

Step 2

1. Draw two eyes on your paper with a pen

7

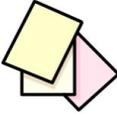

draw

two

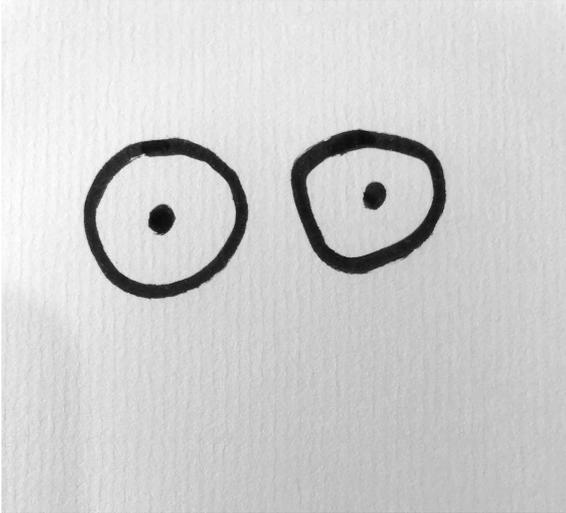

eyes

on your

paper

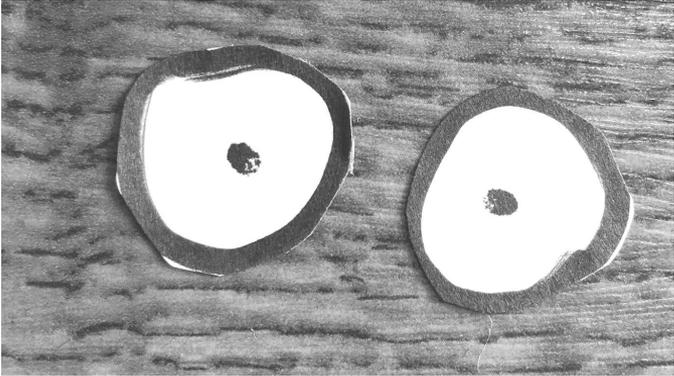

Step 3

- 1. Cut out the eyes with your scissors, with the help of an adult

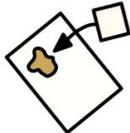

cut out the eyes

Step 4

1. Use sellotape to stick the eyes on the sock

stick

the

eyes

on the

sock

Step 5

1. Put your hand in the sock to make him talk!

put

your

hand

in

the

sock

Step 6

1. Try using different socks, and different decorations

11

try

different

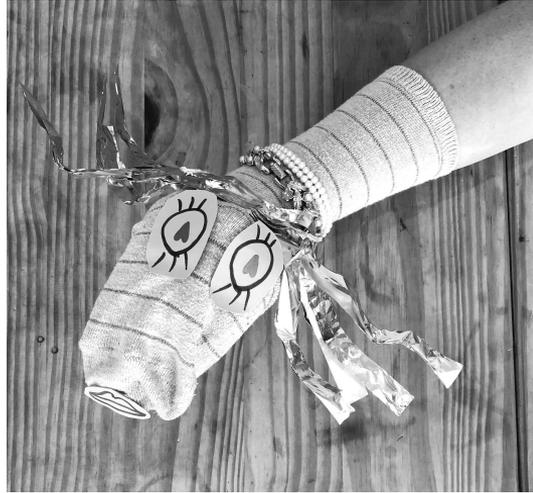

decorations

Activity 1: Identifying first and last using photos

Which one of these comes **first**?

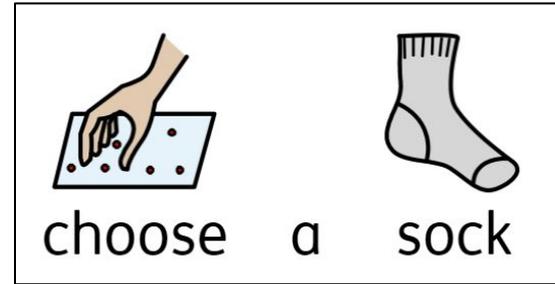

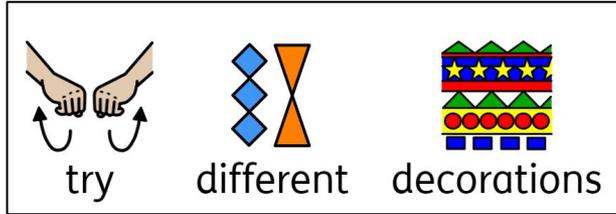

Activity 1: Identifying first and last using photos

Which one of these comes **last**?

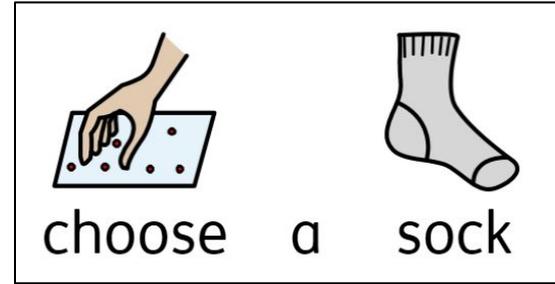

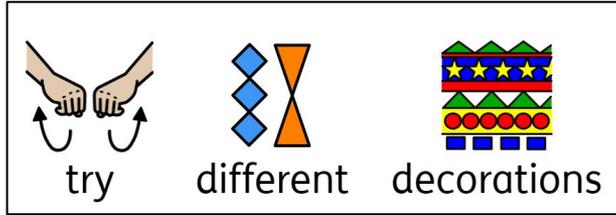

Activity 2: Identifying first and last using symbols

Which one of these comes **first**?

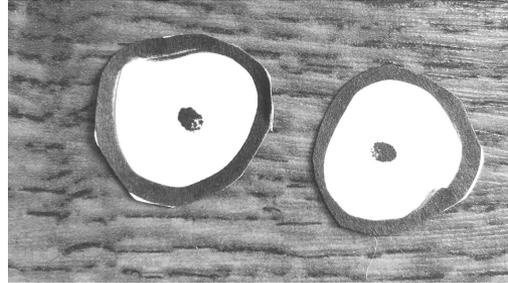

Activity 2: Identifying first and last using symbols

Which one of these comes **last**?

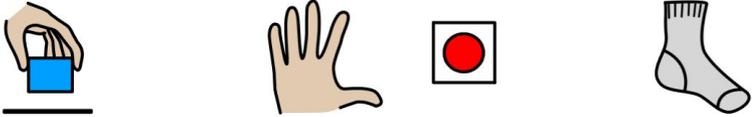

Activity 3: putting a small amount of photos in order

Can you identify what **order** these instructions go in?

Activity 3: putting a small amount of symbols in order

Can you identify what **order** these instructions go in?

put your hand in the sock

stick the eyes on the sock

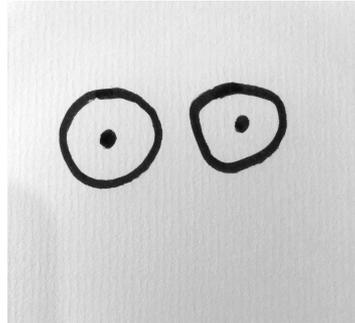

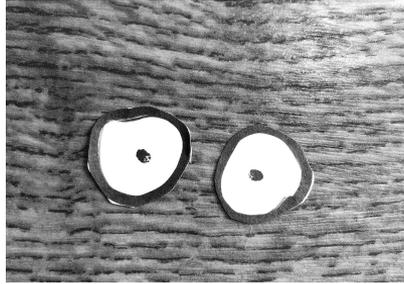

cut out the eyes

Activity 4: sequencing a set of instructions using photos

Can you identify what **order** these instructions go in?

Activity 4: sequencing a set of instructions using symbols

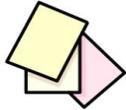

Can you identify what **order** these instructions go in?

   
put your hand in the sock

  
stick the eyes on the sock

  
try different decorations

 
choose a sock

  
draw two eyes on your paper

 
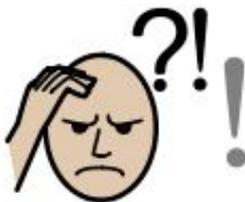

cut out the eyes

Make it easier

Use photos rather than symbols and accompany them with actual objects to make the activity more tangible. Use simple language and offer a choice of two.

Make it harder

Encourage the learner to use symbols and to complete the activities with independence.

More ideas

Use your puppet to do some puppet Intensive Interaction, puppet 'Simon says' or a puppet tea party!
