Emma Jones

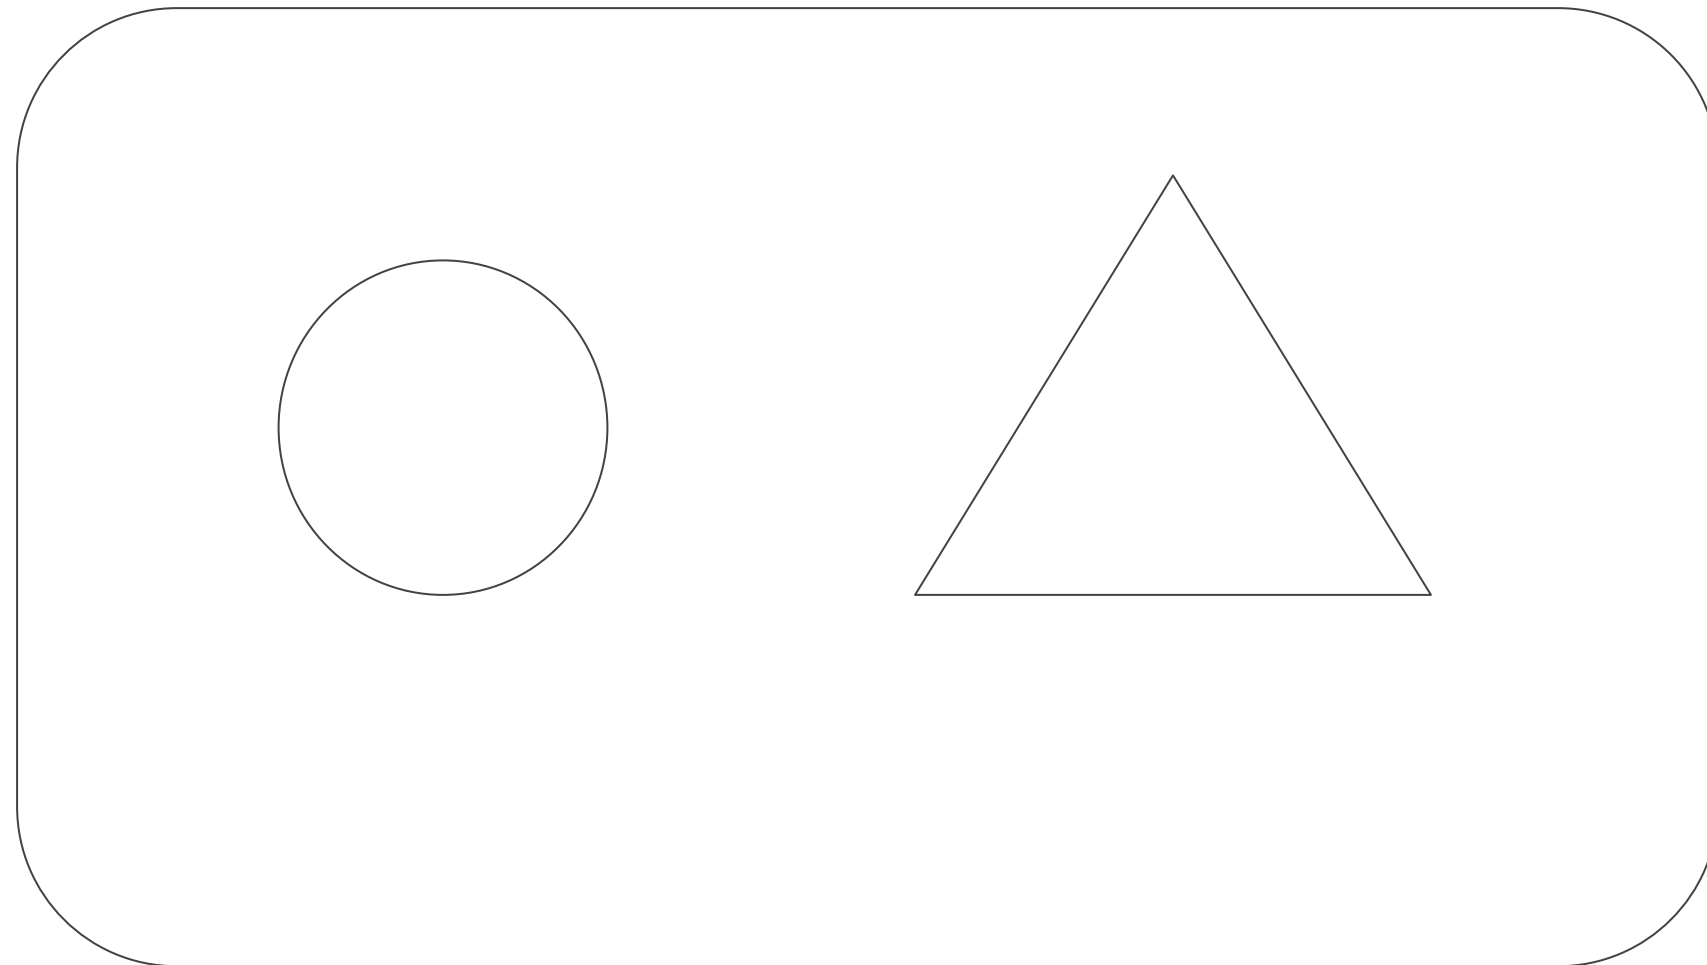

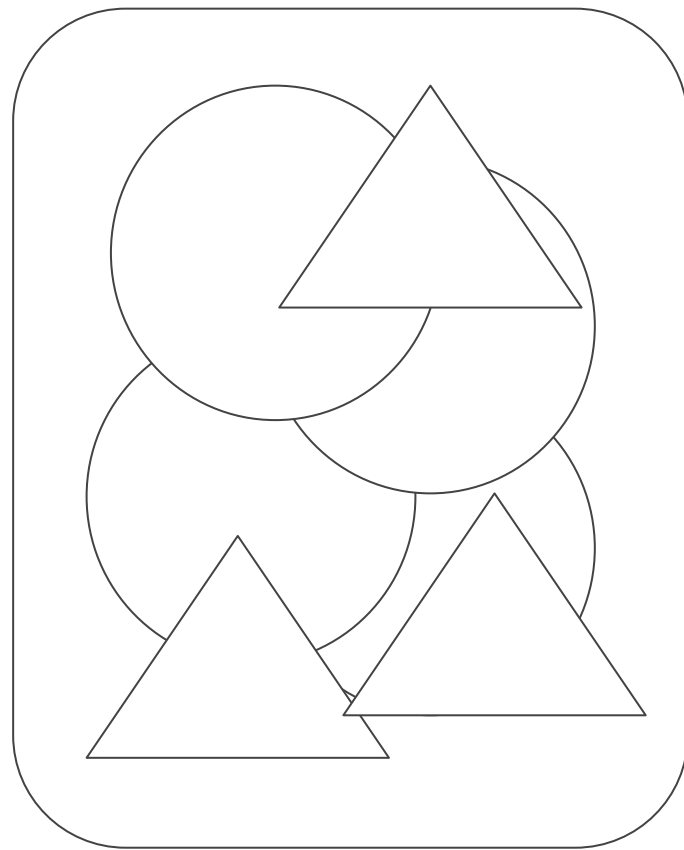

# Making your Object Sort

Gather card and cut this into 2 different shapes (for example circles and squares).

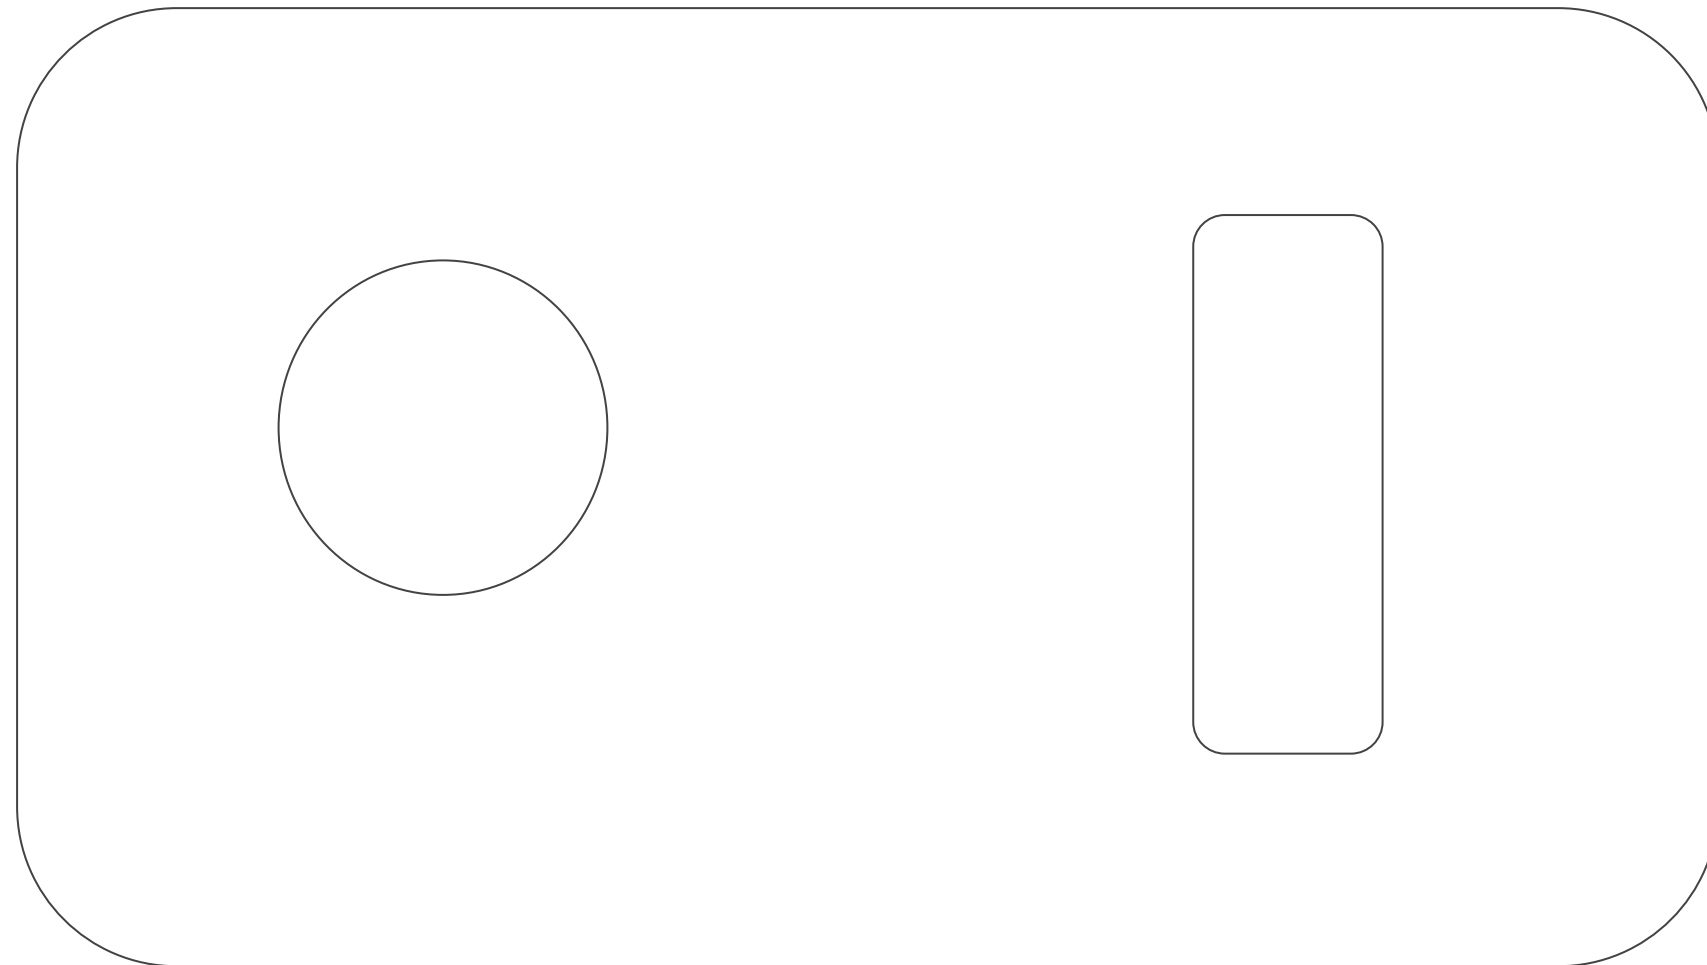

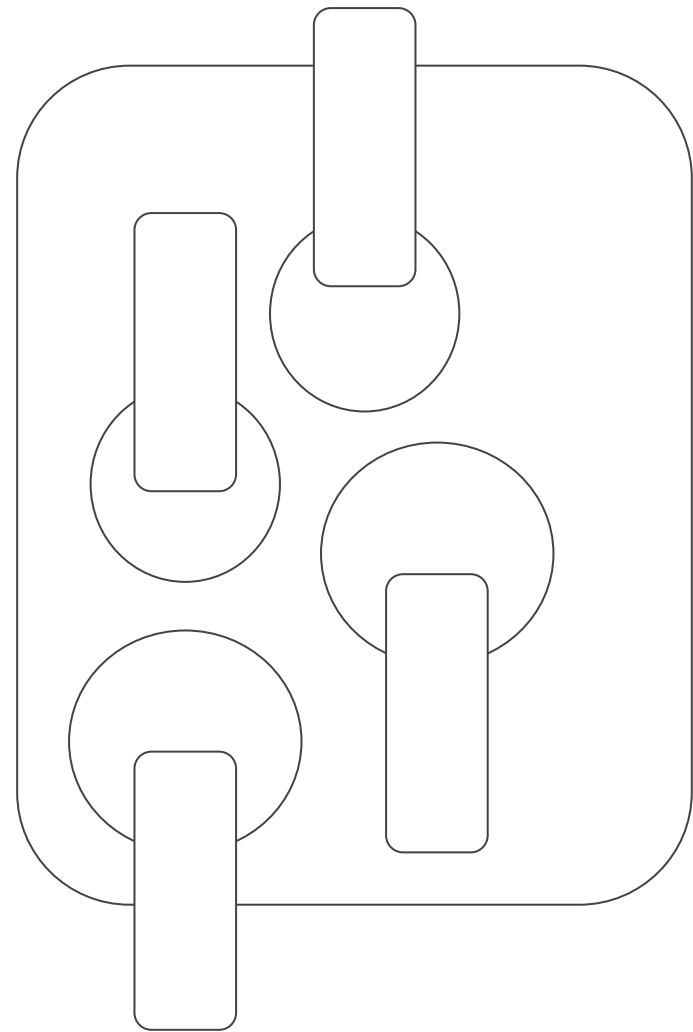

In the top of your box, make 2 holes to match to the shapes you made. .

# Making your Object Sort - example

# Making your Take Apart and Sort

# More Ideas for Sorting Objects!

## Sorting Objects 1

Sort various objects of the same colour into containers.

## Clothing

Practise sorting REAL clothes or draw pictures and colour them in.

## Sorting Objects 2

Sort the same objects of different colours into containers regardless of their colour.
