Lesson 5 of 10

Mrs Howley

Dear Diary,

What a fun day I have had!

In the morning, the sun was shining and the sky was blue. The bees buzzed while playing in the flowers.

We played a game of chase together. I felt so happy.

Later, I went to the pond to visit the frogs. They tried to give me a swimming lesson but I had a paddle

instead. I do not think I will be very good at

swimming. My shell is too big and too heavy.
