Indirect object pronouns

We use **indirect object pronouns** with **verbs** which are **followed by** the preposition **à**

Indirect object pronouns replace the **preposition** and the **noun** in a sentence.
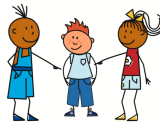

Je **lui** écris = I write to him / her

me or m' = (to) me

te or t' = (to) you

lui = (to) him or her

nous = (to) us

vous = (to) you (plural)

leur = (to) them

Participating in the community

1. Which preposition comes after the verbs écrire, parler and rendre visite?	à
2. What does this preposition mean?	to
3. Which IOP* replaces 'to him / to her'?	lui
4. Which IOP* replaces 'to them'?	leur
5. Where are IOPs* placed in a sentence?	Between the subject and the conjugated verb

*IOP = Indirect object pronoun
