Number Sense Application Lesson

Miss Hill

Independent Task

1. Can you find 10 or 100 more or less than given number?

	65	75			105
--	----	----	--	--	-----

206		406		606	
-----	--	-----	--	-----	--

2. Fill in the missing gaps

10 less	Starting number	10 more		100 less	Starting number	100 more
	325				419	
674				89		
		581				785

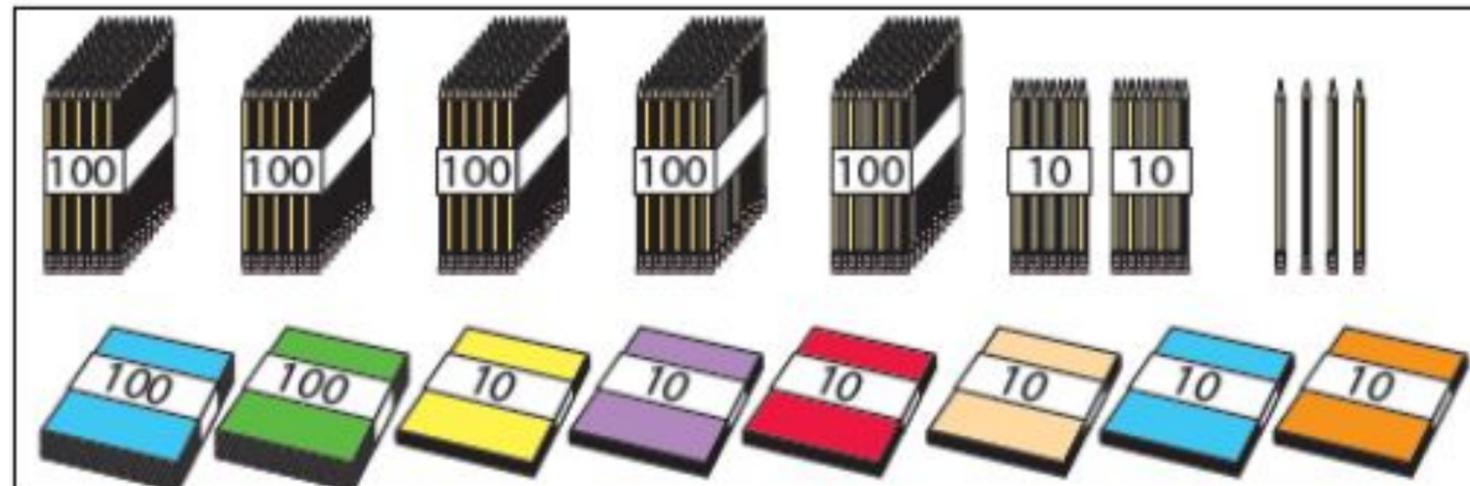

Independent Task

3. How many pencils do I have? _____

How many exercise books? _____

I give away 10 books to another class. How many do I have now? _____

I buy 100 more pencils. How many do I now have?

Independent Task

4. Using digit cards 0-9 can you make the answers to the questions below:

10 less than $8 + 7$

10 more than 3×10

100 less than 336

100 more than 691

5. Write the equation that comes next:

$$536 - 10 = 526$$

$$526 - 10 = 516$$

$$516 - 10 = 506$$
