# Estimating and measuring in litres

## Lesson 2 of 10

Miss Jones

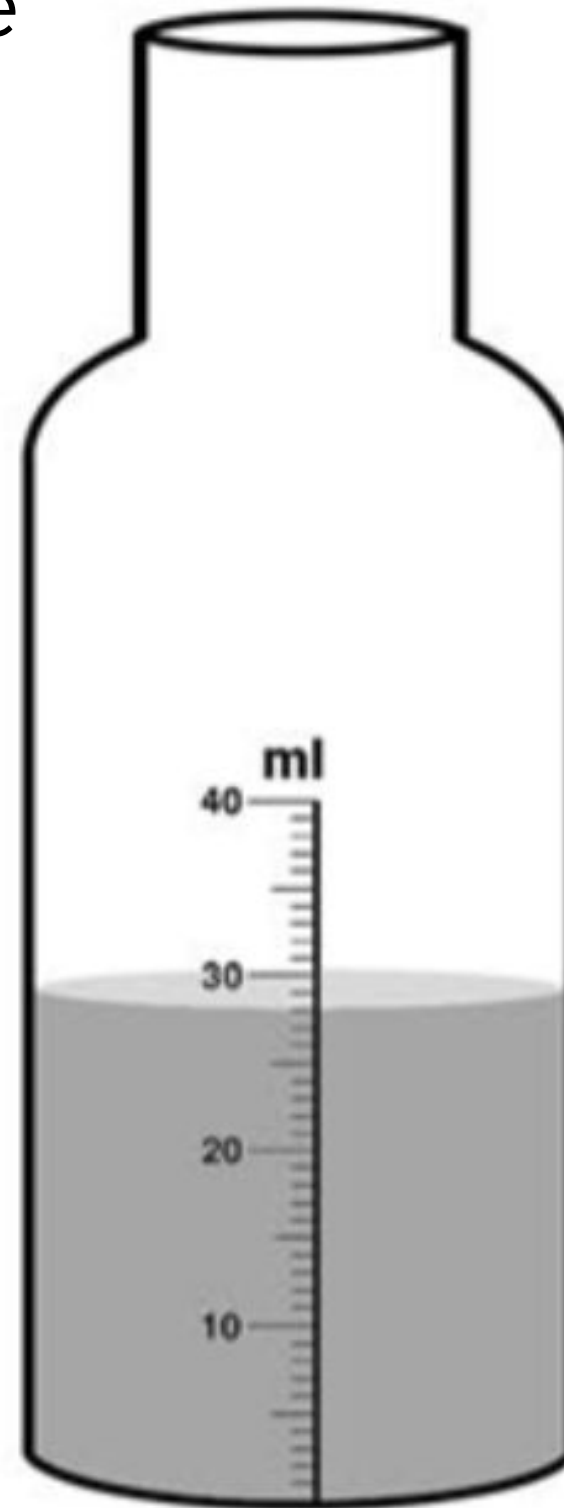

Measure the volume of liquid in the containers by reading the scales.

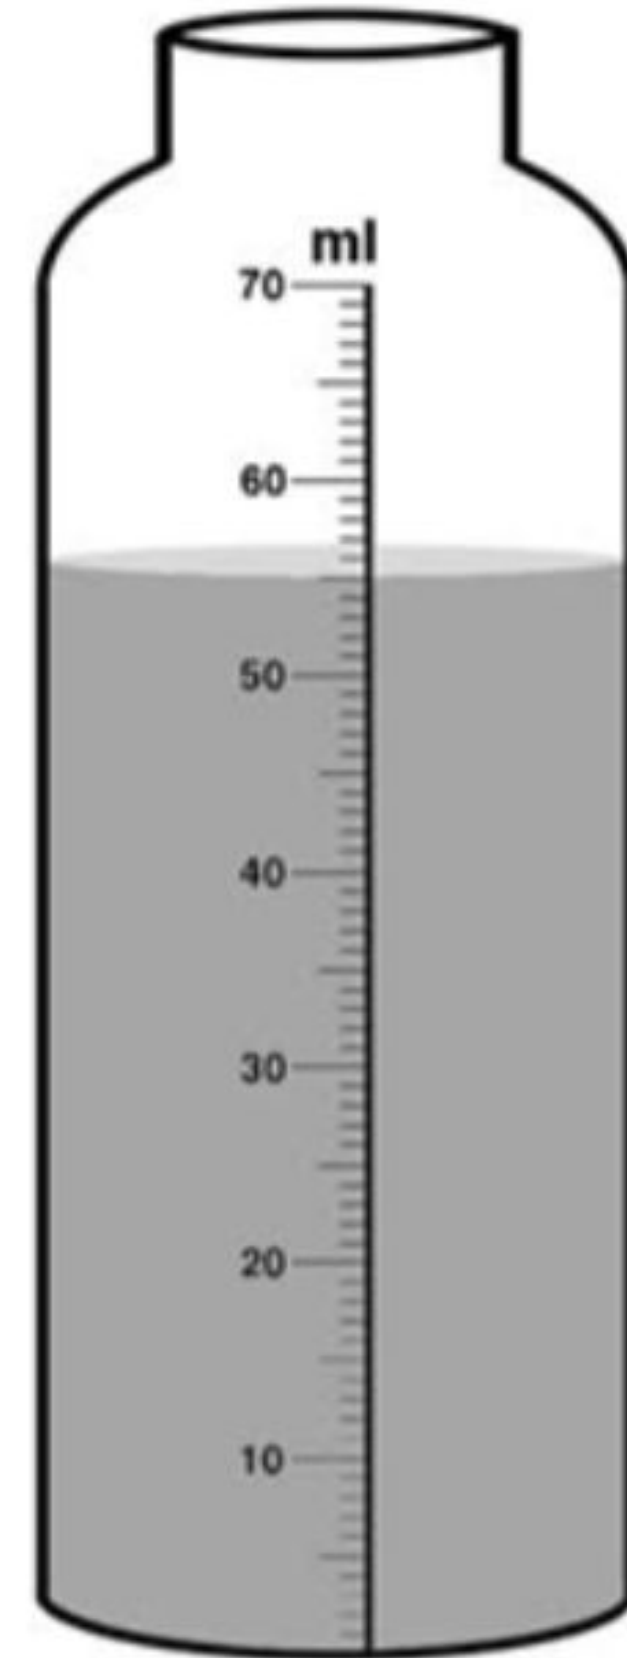

**1.**

**2.**

**3.**

# Challenge:

container	Capacity is:		
	> 1 l	1 l	< 1 l

Find different containers which have a **capacity** of:

- more than one litre
- one litre
- less than one litre.

Record your answers!
