Unit 2: Multiplication and Division Short Division

Independent Task

Mr Whitehead

1. Estimate the size of the quotient
2. Use short division to complete the equation

Question 1

$945 \div 7 =$

Question 3

$1044 \div 12 =$

Question 5

$1320 \div 8 =$

Question 2

$4056 \div 13 =$

Question 4

$5544 \div 7 =$

Reflect: could any of these have been solved
using a mental strategy?
Which questions? With which mental strategy?
