

Mathematics

# To begin to understand units of measure

Mrs Bramble and Miss Jones

# Independent Task

Have a go at finding something at home that is taller than 1 metre.

Remember, if you don't have a 'metre stick', you can make a prediction.

For example: "I predict that the bunk bed is taller than 1 metre."

# Independent Task

Have a go at finding something at home that is shorter than 1 metre.

Remember, if you don't have a 'metre stick', you can make a prediction.

For example: "I predict that the foot stool is shorter than 1 metre."
