Concept Activities

Concept Walks

Set your child a challenge to do outside or inside your home.

Point to all the things that are **behind**.

I Spy

“I spy with my little eye something that is **“Behind.”** Encourage your child to use concepts when it is their turn too.

Story Time

Stories with a concept included. The story should use the concept in context. Could be made up!

Hide and Seek

Hide toys behind objects.
Take it in turns to find them!

Obstacle Course

Place various objects around the room e.g. a hoop, a box, a chair, a bin, a box

Give instructions with the concept. Stand **behind** the chair.
